

Guest of Honour and Keynote Address by YAB Dato' Sri Haji Fadillah bin Haji Yusof Honourable Deputy Prime Minister of Malaysia.

Foreword for ICC 2025

Ministry of Digital

As Malaysia takes bold strides toward a fully digitalized and inclusive future, the International Connectivity Conference and Expo (ICC2025) stands as one of the pivotal activities driving this transformation. By bringing together key global and local stakeholders, ICC2025 offers a dynamic platform to explore the convergence of critical technologies, including connectivity, cybersecurity, IoT, AI, and automation.

This year's emphasis on Quantum Computing and Quantum Communication further reflects our commitment to ensuring Malaysia's digital infrastructure remains resilient and future-ready. Aligned with the MADANI principles, ICC2025 promotes sustainable and inclusive development through the responsible use of technology. By fostering a digitally connected society grounded in inclusivity, accountability, and trust, the event enhances Malaysia's global standing while empowering every citizen to benefit from technological advancements.

The Ministry of Digital proudly endorses ICC2025 and encourages all participants to leverage the invaluable insights and opportunities it offers. Together, we can propel Malaysia to the forefront of global digital innovation, aligned with our national aspirations for a tech-driven future.

**YB Gobind Singh Deo,
Minister of Digital, Malaysia**

**Ministry of Science,
Technology and Innovation**

Foreword for ICC 2025

**YB Chang Lih Kang,
Minister of Science, Technology and
Innovation, Malaysia**

Malaysia's aspiration to cement its position as a global leader in innovation is underpinned by an unwavering dedication to advancing science and technology. ICC2025 stands as one of the platforms catalyzing this ambition, convening thought leaders, industry pioneers, and policymakers to delve into transformative domains such as connectivity, quantum computing, cybersecurity, IoT, AI, and automation. Its emphasis on Quantum Computing and Communication heralds a significant advancement in pioneering secure, cutting-edge solutions that redefine the future of technology.

Firmly rooted in the MADANI principles of sustainability, trust, and inclusivity, ICC2025 exemplifies Malaysia's commitment to harnessing innovation for the collective good. By embedding these foundational values, the event underscores the imperative of aligning technological progress with societal well-being, bridging inequalities, safeguarding the environment, and empowering communities. It serves as a testament to Malaysia's vision of an equitable and resilient society enriched through transformative advancements.

MOSTI is proud to support ICC2025 and calls upon all stakeholders to participate meaningfully in this transformative endeavor. Together, let us shape a future where science and technology drive progress, inspire collaboration, and empower humanity.

Foreword for ICC 2025

Ministry of Health

In an era where connectivity fuels progress, Malaysia stands at the forefront of digital transformation, harnessing cutting-edge technologies to drive economic growth and revolutionize healthcare. The International Connectivity Conference & Expo 2025 (ICC2025) serves as a pivotal platform, bringing together global leaders to explore breakthroughs in connectivity, cybersecurity, IoT, AI, automation, quantum computing, and quantum communication, alongside satellite and terrestrial technologies that strengthen digital ecosystems.

Technology is not just reshaping healthcare—it is powering Malaysia's Second Economic Take-Off. As the nation accelerates towards a high-value, innovation-driven economy, digital health solutions—including telemedicine, precision medicine, and AI-driven diagnostics—are unlocking new industries, high-skilled jobs, and investment opportunities. These advancements are not only redefining healthcare delivery but also positioning Malaysia as a regional leader in health-tech and digital connectivity.

The deployment of 5G enables seamless telemedicine, real-time monitoring, and faster emergency response, while IoT enhances patient engagement and precision care through intelligent systems and data-driven insights. AI and big data drive diagnostic accuracy, optimize clinical decisions, and power precision medicine, tailoring treatments to an individual's genetic profile, lifestyle, and environment. Meanwhile, automation streamlines workflows and satellite and terrestrial communications bridge the digital divide, ensuring equitable healthcare access, particularly for underserved communities.

Aligned with the MADANI vision, ICC2025 underscores Malaysia's commitment to innovation as a catalyst for inclusive growth and economic resilience. By embracing connectivity and emerging technologies, Malaysia is laying the foundation for its Second Economic Take-Off—one that is driven by knowledge, digitalization, and transformative healthcare solutions.

Let ICC2025 be a catalyst for game-changing partnerships, paving the way for a future where technology not only advances healthcare but strengthens economies worldwide. Together, let us build a connected, resilient, and healthier world.

DR. DZULKEFLY AHMAD
MINISTER OF HEALTH

In Loving Memory of Tan Sri Datuk Dr. Kamal Salih Founding Organising Chairman, ICC2025

Returned to the mercy of Allah
06/03/2025

The Organizers of the International Connectivity Conference & Expo (ICC2025) deeply mourn the passing of Tan Sri Datuk Dr. Kamal Salih, our esteemed Founding Chairman. His visionary leadership, dedication, and relentless pursuit of progress were instrumental in shaping ICC into a premier platform for innovation, collaboration, and technological advancement. As a distinguished economist, academic, and industry leader, Tan Sri played a pivotal role in advancing Malaysia's connectivity and digital transformation agenda.

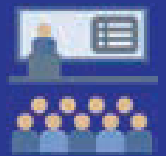

His passion for knowledge, commitment to sustainable development, and unwavering support for emerging technologies have left an enduring impact on the industry. In honoring his legacy, ICC2025 remains steadfast in its mission—bringing together global stakeholders to drive meaningful discussions, foster partnerships, and pave the way for a digitally connected and automated future.

ABOUT ICC

Explore and immerse yourself in the forefront of innovation within Connectivity, Cybersecurity & Quantum Communication, AI, IoT, and Automation at the International Connectivity Conference & Expo (ICC) in the vibrant city of Kuala Lumpur, Malaysia. ICC goes beyond the conventional conference and expo setup; it stands as a dynamic arena for dialogues centered around the transformative power of advanced connectivity and automation ecosystems, nurturing sustainable development not just in Malaysia but throughout the region.

EVENT OBJECTIVES

- Establishing a vibrant marketplace for connectivity and digital products, while exploring opportunities across all sectors of the economy.
- Investigating optimal technology blends for various applications, including In-Building Coverage (IBC), LTE/5G Private Networks, Cybersecurity, Quantum Communication, and the integration of AI-driven automation across diverse sectors.
- Cultivating a cohesive community of connectivity and cybersecurity professionals dedicated to advancing industry standards and best practices.
- Advocating for innovation and progressive concepts in connectivity, with a particular focus on cybersecurity & quantum communication.
- Facilitating valuable networking opportunities for all participants, enabling fruitful connections and collaborations.
- Establishing benchmarks for emerging technologies and suppliers, driving quality and competitiveness in the market.
- Providing a unique platform for startups and researchers to showcase their groundbreaking ideas and discoveries.

QUANTUM COMMUNICATION

Next frontier in Cybersecurity

Quantum Communication is revolutionizing secure data transmission, promising unprecedented levels of privacy and security. Harnessing the principles of quantum mechanics, Quantum Communication utilizes quantum entanglement and superposition to encode and transmit information in a manner that is inherently immune to eavesdropping or interception. Quantum Communication offers a paradigm shift, ensuring that sensitive information remains protected against potential threats.

Embracing Quantum Communication opens doors to a new era of secure communication networks, empowering industries ranging from finance to healthcare and defence with robust, tamper-proof data transmission capabilities.

EVENT HIGHLIGHTS

- Cutting-edge keynote speeches by industry leaders and visionaries.
- Expansive Expo showcasing latest innovations and products.
- Comprehensive industry exhibits showcasing advancements across sectors.
- Interactive workshops by experts
- Business to Business matching sessions for valuable partnerships.
- Networking opportunities with professionals, peers, and dynamic start-ups.
- Policy and regulations through in-depth sessions.
- Experience the convergence of policymakers, industry leaders, academics, researchers, start-ups, venture capitalists, and financing institutions.
- Join a diverse community, including a large number of buyers and sellers, fostering vibrant exchanges of ideas and opportunities

BE AN EXHIBITOR

The ICC is Malaysia's premier and the largest international event in the Connectivity, Cybersecurity & Quantum Communication, Quantum Computing, AI and Automation.

- Extensive Visibility and Exposure
- Abundant Networking Opportunities
- Lead Generation
- Market Research
- Brand Building
- Product Demonstrations
- Education and Thought Leadership
- Human Resources Recruitment
- Partnerships and Collaborations
- Return on Investment (ROI)

**Illustrations are for reference only*

	RM (Companies based in Malaysia)	Early Bird Discount
Standard Booth	26,000/-	19,500/-

25% Off

**All Prices Exclude SST
Early Bird Discount is till 15th March 2025

Shell Scheme Booth

- 3m x 3m (9sqm) Shell Scheme Booth with rear and dividing wall partition of 3m(H) in white laminated finish
- One (1) unit of information table
- Two (2) folding chairs
- One (1) waste bin.
- One (1) 13amp power point
- Two (2) complimentary conference tickets

BE A SPONSOR

Sponsoring ICC presents an unparalleled opportunity to align your organization with cutting-edge advancements in connectivity, cybersecurity, quantum communication, AI, and automation, while gaining global exposure and fostering strategic partnerships for future growth and innovation.

By sponsoring ICC, your organization is assured to have:

- Enhanced Brand Exposure
- Strengthened Market Presence
- Abundant Networking Opportunities
- Showcased Thought Leadership
- Spotlighted Product Showcase
- Embrace Corporate Social Responsibility (CSR)

ICC provides a variety of sponsorship and advertising options for your brand promotion:

Platinum Sponsor
Gold Sponsor
Silver Sponsor
VIP Lounge Sponsor - VVIP Holding Room
Registration Counter/Kiosk Sponsor
Lanyard with Badge Sponsor (600 pcs)
Event Bags Sponsor (600 pcs)

FOR SPONSORSHIP OPPORTUNITIES PLEASE EMAIL icc@gsatt.com.my

Panel Session Sponsor
Umbrella (600 pcs)
Notebook and Pen (600 pcs)
Photobooth Sponsor
Eco Initiative Sponsor
Startups Pavilion Sponsors

OFFICIAL AIRLINE

Malaysia Airlines as the official airline of ICC2025 is delighted to offer Committee Members, Board of Advisors, Speakers, and Delegates attending ICC2025 an exclusive discount of up to 15% on Malaysia Airlines and Firefly flights

**PROMO CODE
MHICC15**

For all speakers, delegates and committee members flying on Malaysia Airlines into Kuala Lumpur.
Book via Malaysia Airlines website or mobile app.

**PROMO CODE
FYICC15**

For all speakers, delegates and committee members flying on Firefly Airlines into Subang Airport.
Book via Firefly Airlines website or mobile app.

- Booking Period: 17 March – 23 June 2025
- Travel Period: 16 June – 1 July 2025
- Discount applicable on the available fare class and NOT applicable to promotional fares and subject to seat availability.

BE A PARTICIPANT

Participate in ICC for:

Learning Opportunities: Gain access to presentations, workshops, and discussions led by industry experts.

Networking: Connect with a global network of professionals, researchers, and industry leaders.

Exposure to New Technologies: Experience firsthand the latest innovations shaping the future.

Sharing Knowledge and Expertise: Contribute your insights and experiences to collaborative discussions.

Stay Updated: Stay informed about the latest technological advancements and trends.

Professional Development: Enhance your skills through workshops and receive career guidance.

Access to Resources: Explore a variety of products and services from exhibitors and sponsors.

Influence and Impact: Engage in conversations about the policy, ethical, and societal implications of technology.

Inspiration and Motivation: Find inspiration among a community of passionate tech enthusiasts

Delegate Category	Conference & Expo Delegate Fee	Earlybird Discount
Malaysian	RM 2,300/-	RM 1,725/-

All prices exclude SST **Overseas Conference Exhibitor & Delegate** *Early Bird Discount is till 15th March

2025 Package (3 Days)

Day	Itinerary	Notes
Sunday 22 June	Airport pick-up to Hotel	- VE Hotel, Bangsar South, Kuala Lumpur - Dinner hosted by ICC Organisers
Monday Tuesday 23 June & 24 June	ICC Conference & Expo	- Connexion Conference and Event Centre (CCEC), Bangsar South, Kuala Lumpur - Breakfast, tea breaks, lunch & dinner included
Wednesday 25 June	Kuala Lumpur Visit, Place of Interest Free & Easy	Breakfast & airport drop-off included
Standard Booth	USD(Overseas Companies)	Early Bird Discount
All prices Includes Taxes	USD 8,000/-	USD 6,000/-
In Recognition of Malaysia Chairing ASEAN in 2025, an Additional 5% Discount Is Offered.		USD 5,600/-

All prices Includes Taxes

START-UPS AT ICC

The ICC serves as a platform for visionary young organizations shaping the future, linking them with the most influential companies, investors, and media worldwide. It highlights the freshest and most promising talent in the industry.

Join us for an unparalleled opportunity to showcase your cutting-edge technologies and ideas at the ICC. Connect with industry leaders, investors, and potential partners while gaining invaluable exposure for your venture. Don't miss out on this chance to accelerate your growth and make a lasting impact. Reserve your spot to exhibit today!

ICC INTERNATIONAL
CONNECTIVITY
CONFERENCE & EXPO
23 - 24 JUNE 2025 CONNEXION CEC KUALA LUMPUR

FREE TICKET PROGRAM

ICC is pleased to provide complimentary passes to select attendees for this year's event.

Free tickets given based on the sole discretion of the ICC Organising Committee

What the complimentary pass entails?

- Full access to the conference, including access to keynote presentations, panel discussions, workshops, and networking.
- Access to the exhibition floor.

Who qualifies?

If you work for the following profiles, you may be eligible for a complimentary ticket.

- Scholars
- Start-up representatives
- Government Sector
- Graduates
- Academia
- Apprentices
